

Rumworth School

Timings of the school day for students for next academic year

September 2021 to July 2022

For the current school year September 2020 through to July 2021, we have operated a shortened school day that ends at 2:05 pm. This was in order to try to minimise the time students spent travelling in vehicles at busy rush hour times during the pandemic.

Following consultation with the wider school community, we are reverting back to a later finish time for the school day next academic year, September 2021 to July 2022:

- The school day for students will begin at 8:45 am daily
- Breakfast club will again be available in communal areas from 8:30 am daily
- The school day for students will end at 3:00 pm on Mondays, Tuesdays, Wednesdays and Thursdays
- The school day for students will end at 2:30 pm on Fridays

It is our intention to run to these times for next year. However, this plan could be subject to change, depending upon any national guidance which may be issued to schools at a later date.
