

Hello,

I am writing on behalf of the Senior Leaders of Rumworth School. We wanted to take this opportunity to reach out to our neighbours; to let you know who we are, what we do and to forge stronger relationships with our community.

Rumworth is an 11 – 19 school for students with special educational needs, we have over three hundred beautiful and unique children which makes us a magical place to be part of! Our students come from all over Bolton and the surrounding areas, however, we are keen to build a greater links with the Ladybridge estate. We plan to engage with our neighbours more over the next academic year and would like to welcome you into our school through a variety of events. For now, we'd like to let you know what goes on at our school.

Did you know?

Rumworth students follow lots of vocational courses which means that we have a Bistro that will be open to the general public next year – you will be able to book an afternoon tea or lunch where you will get restaurant quality service. Our horticulture team grow plants and produce which are available to buy. We're looking to see how we can expand this next year and we're always glad of volunteers to help!

Our festival week is coming up where we will have lots of exciting activities for our students and their families both during the school day and on an evening, the traffic may get a little busy so apologies in advance. As part of our celebrations, we are holding The Rumworth Horticultural Society Grand Show (Bolton's answer to the RHS Flower Show). Students have spent a lot of time preparing their show gardens and making the site beautiful. If you would like to know more about what is happening at school please fill in the online form <https://forms.gle/stNckePb1cwLHnMo9> (it is also available on our school's website). Alternatively, you can request a paper copy from reception. If we have your details on file then we can keep you up to date with of all the exciting things happening over the next year.

We need your help...

We are having a few issues with youths coming onto the school site during evenings and weekends. We have worked tirelessly to make the environment something to be proud of and eventually we would like to share with the local community; vandalism jeopardises this. We would really appreciate it if you could keep a watchful eye over the school and site when we are not here and if you notice anything either email SLT@rumworth.bolton.sch.uk or contact us on 01204 333600. You can also always contact the police in an emergency.

Finally, we are keen to develop strong relationships with all of our neighbours so if you have any suggestions, feedback or would just like to say hello then you can get in touch with us via the email above.

Have a wonderful summer from all the Rumworth family.

Headteacher: Mr G Johnson BEd
Armadale Road : Ladybridge : Bolton : BL3 4TP
