

Dear Parents/Carers,

### **Rumworth School Photographic Consent**

As a staff team we find it helpful to be able to record the achievements of our students photographically so that they may see how they have progressed throughout the course of the school year. These photographs may be used in school or on our social media streams with your permission. On occasion we are also featured in the local press and would like to be able to use images for this purpose as well.

Rumworth School operates a number of social media accounts. You can follow us on Twitter (@rumworth), like us on Facebook, follow us on Instagram (@rumworth) and we have a YouTube channel for videos. Some departments have their own streams for subject specific content.

Consequently, we are seeking your permission for the use of photography and filming of your student in school.

Please could you read, tick, sign and return the slip attached to your child's form tutor to grant us this permission.

If you would like to withdraw this consent in the future please contact us at school.

Many thanks in advance,

**Miss Readey**

1. We will not include any details or full names (which means first name and surname) of any child or adult in an image, video or on our website, or in printed publications, without good reason. 2. We will not include personal email or postal addresses, or telephone or fax numbers on our video or on our website or in printed publications.

If a pupil is named in the text, we will not use a photograph of that child to accompany the article without good reason. For example, we may include a picture and full name of a competition prize winner if we have their consent. However, we will not include a picture and full name of a model used in promotional literature.

*Please contact the school office if you have any questions relating to this form, or if you wish to withdraw consent in the future.*
